Subject: Oregon's 2012 303(d) List

Hi, CJ and Steve. I wanted to let you know that Region 10 received Oregon's proposed 2012 303(d) biennial submission a week or so ago. Although the Region has not completed its review of what was submitted, it is known that it is not a complete submission as required by our regulations, so we will be disapproving it. There may be some proposed new listings that we will approve, but Region 10 will be deciding what if any additional new listings are appropriate based on our review of the existing and readily available info [REDACTED] **Attorney Client / Deliberative Process / Ex. 5**

Steve: Chris and Ruth and Heidi are aware of Oregon's submission and the Region's next steps.

I just wanted you to know that this regulatory process has started. Not sure it means anything right now for our current lawsuit. Let me know if you think it does.

Have a Happy Thanksgiving.
